

Lee Shippey Writes On Carrillo

From Santa Barbara to San Diego, parades can never again have quite the glamour they used to have, now that Leo Carrillo is no more.

Leo's friends, including almost everyone in the West, jokingly used to say he would walk ten miles to ride in a parade. He was boyishly proud of his horses, his saddles and his horsemanship and was so popular with the crowds that such classics as the Tournament of Roses in Pasadena and the Fiesta in Santa Barbara felt a parade was only half a parade if Leo wasn't leading at least a section of it on his prancing charger.

And it wasn't only the parades of national interest to which Leo generously contributed his help.

Several times, when Sierra Madre had only one public school, Leo drove from his home in Santa Monica to entertain in that school house, all for free and just to help some worthy cause, and several of the smaller cities of San Diego County can testify to equal generosity.

Shortly after Irvin S. Cobb moved to California he and Leo took a trip about the state together and Irvin vowed he had never seen a California town so small Leo did not have at least one cousin in it.

"Leo," he said, "one of your ancestors must have been an Albemarle Sound shad."

The fact was that when California was New Spain every land-grant family had thousands of acres and needed large families to care for them, so as soon as a youth reached his latter teens he set forth to find a bride, often visiting ranches from San Diego to San Francisco as an honored guest.

Thus nearly all the land-grant families were intermarried, and Leo, descendant of one of the first families, really was related to a multitude of Californians.

Adios, Leo. You did a lot to make people happy in your 81 years. Adios, adios.

It has always been the rule that postal employees and other government employees have every right to think and vote and privately to express themselves according to their beliefs. But, being employees of all the people, they must not publicly try to influence public opinion on any political issue.

The rule should especially apply to the military, for it is when military leaders assume direction of political controls that Hitler, Mussolini and Khrushchev arise, and people lose their civil rights.

Our Founding Fathers established the rule against political activity for government employees because they realized that a zealot who honestly believes he is right is just as dangerous to liberties as a would-be dictator.

And it is only fair that such rules should apply to admirals and generals as well as to postmasters. That is not gagging liberty but protecting it.

Random thoughts: Writer in Los Angeles Times asks what would happen to our economy if peace suddenly was declared. I don't know, but surely would like to find out.

Young Check Passer Reaps \$118 In S.M.

Thomas Bradley, a gay young caballero of around 25 and who gave his address to police as 325 N. Baldwin, believed that the world owed him a living. Apparently, he did quite well — passing bad checks, police charge, until he discovered life isn't just a bowl of roses, as he emerged from the Green Hotel in Pasadena and ran smack-dab straight into the arms of John Law.

Young Bradley was en route to Los Angeles Airport after purchasing a ticket at the Pasadena TWA offices calling for landing him at a point far East — he also bought this with a rubber check, police report.

In Sierra Madre, police say he passed two checks for \$80 on the Roess Market, one for \$10 on the Malt Shop, another for \$22 on Ralphs Shoe Store and another for \$6.50 on Sam Simpson. His Pasadena operations will add considerable to this more than \$200 recited above.

La Salle's Enrollment At New High

A family reunion with brothers and sisters was in Tecumseh, Neb. Mr. Knowles reports lots of rain on the trip and that Arizona and New Mexico never looked better. Mr. Knowles says Oak Creek Canyon, Ariz., is more spectacular than the Grand Canyon.

Follows Hearing

Court Suit On Sewers Discussed

It is possible that the outbreak in City Council chambers on Tuesday, Sept. 12 when property owners, packed into the chamber, protested the assessments made in Sewer District No. 71, may reach the courts.

E. Waldo Ward of 273 E. Highland, who owns the business block at W. Sierra Madre Blvd., and Windsor Lane, and who protests the assessment on this property now occupied by the McKibbin Furniture Store, is considering the possibility of court action, he announced late Tuesday.

Mr. Ward, a citizen and property owner here for many years, and owner-proprietor of the Ward Preserving plant, has retained Atty. Noren Eaton as counsel.

Property owners contend that the sewer installation rates were increased inequitably and excessively from the original figures when Council decided to run the laterals to the property lines instead of the curbs as originally planned. The cost of the Sewer District No. 71 installation is around \$371,000.

Chief target of the wrathful property owners at the meeting were City Administrator Lawrence C. Bevington, the firm of James Montgomery, special water and sewer analysts, frequently retained by the city; Ken McMullen, one of its employees, and members of Council themselves. Council is scheduled to resume hearing of the situation next Tuesday night.

Mr. Ward announced that he and Atty. Eaton were studying the situation and may reach a decision by the end of the week.

The evening will commence at 7 p.m. with a cocktail hour, which will be optional. Two ballrooms will be in use and dinner served at 8:30 p.m. will feature a delectable five-course menu.

Celebrate New Building . . . Nursery School Dance And Dinner On Oct. 7

To celebrate completion of the fine new Nursery School building, known as the Marjorie Green Center in tribute to the school's first director, parents and friends of the Sierra Madre Community Nursery School Association will gather Oct. 7 at the Arcadia estate of Mr. and Mrs. Edward Lowell, nursery school alumni, for an evening of dining and dancing under the stars.

The mood will be Tahitian, the catered dinner exotically Oriental, the dance band excellent and the evening delightful in every respect.

Mr. and Mrs. William N. Morzov, co-chairmen and their committee promise an evening of fun and gaiety as a fitting climax to the many hours of labor by fathers of the nursery school to complete the lovely new addition to the school to house a fourth group of preschoolers. Social hour is scheduled for 7 p.m., with dinner served at 8:30 p.m.

Tickets may be obtained directly from Mrs. Ronald Aguilar, EL 5-6580, ticket chairman, or from any member of the Nursery School Association.

Mr. and Mrs. Morzov announce their committee as Mrs. Thomas Barron Kemp, decorations; Mrs. Ronald Aguilar, tickets; Mrs. John C. Karlotis and Mrs. Gerald Marugg Jr., orchestra; Mr. and Mrs. Arthur L. Benedict, social hour; Mrs. C. Neal Rowley, posters; Mrs. Edward Chapman, service arrangements; Mrs. Paul Goldsmith, lighting effects; Mrs. Merritt E. Roberts, publicity.

Jim Burke and sons of The Highlander have made the Tiki statues calling attention to the dinner-dance in the windows of Youngland and Arnold's Hardware Store.

Surviving are her husband, Alfred M. Domschke of Pasadena; a daughter, Suzanne Carol Domschke of Pasadena; five brothers, Fred La Lone of Monrovia, and Robert, Edward, Earl and Richard La Lone, all of Sierra Madre; and three sisters, Mrs. Josephine Van Winkle of Sierra Madre; Mrs. Alice McCasson of Arcadia, and Mrs. Francis Finley of Long Beach.

Rosary was said Tuesday at 8:15 p.m., at the Church of the Assumption of the Virgin Mary in Pasadena, with mass Wednesday at 9 a.m., Rev. Timothy J. Crean officiating. Interment was in Resurrection Cemetery.

Rule and Bevington Will Inform People

Two steps to safeguard Sierra Madre citizens in case of a nuclear bomb attack and its attendant deadly fallout, were taken Monday night by City Council.

At its adjourned meeting, the city fathers decided every home in Sierra Madre should be informed of their needs and the city's procedures in case of attack and of how they can go about protecting themselves from debris and fallout.

Secondly, the Council named a representative committee of seven well-qualified citizens to advise with city officials on steps which may be taken, including possible construction of bomb shelters, the latter to be privately built.

Councilman Ralph R. Rule who compiled the recent report on bomb attacks and fallout protection and City Administrator Lawrence C. Bevington, were named to the first committee to see to it that the people are informed.

The second or advisory committee comprises former Councilman Milton R. Emerson, now city engineer of San Marino, and a Sierra Madre resident; Mrs. J. T. Oster of 70 Alta Vista; Jack M. Fratt of 295 W. Orange Grove; John A. Dewar of 154 Santa Anita Court; Mrs. Lee L. Skarin of 390 E. Laurel; Robert G. Forney of 279 W. Grand View, and Roscoe Magan of 81 S. Holdman.

Mrs. Oster is a former WAC and prior to that service in World War II was engaged in Civil Defense work. Mr. Pratt is a structural engineer employed by the City of Los Angeles, and specializes in fallout shelter construction.

Mr. Dewar is a United States Army ordnance engineer.

Mrs. Skarin is active in Sierra Madre PTA circles. Mr. Forney is with Caltech's Jet Propulsion Laboratory as manager or expediter on certain JPL missile programs.

Mr. Magan sells engineering supplies to contractors engaged in missile and other defense work.

This committee will begin work immediately in meeting with councilmen in an effort to devise an all-embracing program for Civil Defense in this community.

Councilmen Rule and City Administrator Lawrence C. Bevington will see to it that through THE SIERRA MADRE NEWS and via persons sent their water bills by the city, people will be advised of what the city is doing for their protection and the "A. B. C." steps which they may take themselves. This information will be repeated several times.

Consensus of opinion was that persons building bomb shelters should be afforded certain tax deductions by state and city.

Also that among the first steps must be the protection of school children and guarding of the defense line of city officials in case of an emergency. The latter means that there should be always available a man to act as mayor, police and fire chiefs, administrator and so on, so that the city government may proceed

Bailey Canyon Appraisals Held As Too High By City Administrator Bevington

Appraisals on the Bailey Canyon tract of Paul N. Carter which he has offered to the city as a natural park for \$35,000, payments to be scattered over ten years, made by Howard Martin of Pasadena, and E. R. Metcalfe of Los Angeles, are considered too high by City Administrator Lawrence C. Bevington.

It is the intention of Mr. Carter to subdivide the rest of the property and also the Henszey tract into lots. If the city acquires the acreage within the tract it will be converted into a natural

park for picnickers, augmenting the present Sierra Vista Park holding.

In a summarization of the appraisals, City Administrator Bevington writes:

"Both parties somewhat ignore the fact that the lots which are included should be the easiest to develop, both as to street, etc., and grading for a home site, and that therefore the average return would be somewhat different than the rest of the tract."

"This last factor is somewhat compensated by the

fact that there would be certain fixed costs which do not change with the number of lots in the tract and a reduction of four lots would increase the load on the other lots."

"Without pretending to be an appraiser, but trying to take into account the large oak trees and scenic nature of the land and the diminishing amount of this type of land available and comparable sales in the upper highlands, an average lot price of \$12,000 might appear realistic."

"Based on this figure, a

purchase price of \$26,000 to \$27,000 would be in line for the area to be acquired."

The city administrator noted that "Mr. Carter has notified the city administrator that it now appears they will divide the entire holding, including the Henszey property, and that in so doing they would add the piece immediately south to the presently proposed area in their offer to the city."

"He did not state the size of the location. He did indicate there would not be any increase in price. (He used the word 'bonus' in discussing the additional proposal.) This is not included in any appraisal and until it is definite as to size, etc., it should not be counted."

George Carpenter Suffers Operation

Thetas In Series Of Coffee Meets

The Pasadena Alumnae Chapter of Kappa Alpha Theta will present a series of neighborhood coffee get-togethers from Sept. 27 to Oct. 5, opening the 1961-62 season of entertaining and informative meetings. Mrs. Beverly Jekel is the chairman of the area coffees, assisted by Mrs. Herbert Woodland.

On Thursday, Sept. 28, a coffee will be held for Thetas from Sierra Madre, Arcadia, Monrovia and Temple City. Mrs. Wilford Zinsmeyer will be hostess in her home at 1301 Rancho Rd., Arcadia. The meeting is at 10:30 a.m.

Retraining Benefits Aid To Displaced

Effective Sept. 15, workers in the Pasadena area who have been displaced from their jobs by automation or other causes may be able to receive unemployment insurance benefits while being retrained to perform new jobs.

E. A. Wright, manager of the Pasadena office, California Department of Employment, today announced all unemployment insurance claimants who call at the Department are being told about the retraining benefits which stem from amendments to the Unemployment Insurance Code passed by the 1961 Legislature and signed by Governor Edmund D. Brown. The benefits are described under Article 1.5, Sections 1266 through 1273, of the Code.

Wright said the policy of the department will be to make retraining benefits available potentially to any individual who has been displaced from his job, and for whom reasonable employment opportunities do not exist or are substantially diminished.

A claimant is relieved of the obligation to be available for work and to seek work if he is undergoing a course of approved retraining to fit himself for new work, Wright explained.

He called on employer and labor groups to urge all interested workers to check at the local office of the department, 745 E. Green St., Pasadena, to determine their potential eligibility for the retraining benefits.

Contentment is a byproduct — a byproduct of work well done.

Chest Mails Pre-Drive Solicitations

Sierra Madre Community Chest, hopeful this year of raising its full quota of \$14,000, has mailed 3,000 solicitations to residents of this city.

"There are nearly 500 residences from which former occupants have moved away," says Solicitations Chairman Mrs. Lucy Young, "and while new families are coming in, no directory has been printed in more than a year and we do not have the addresses of many of the new residents."

"Anyone who desires to assist the Community Chest fund by mail may send their contributions to the Sierra Madre Community Chest, care Postmaster, Sierra Madre, Calif. We will certainly welcome such contributions."

The 3,000 solicitations were folded and placed in envelopes by Camp Fire Girls and Girl Scouts as part of their service to the community. Other members of these and other youth groups are making the campaign posters to be placed in the store windows.

Mrs. Young notes the following allocations to agencies:

Boy Scouts, \$2,880; Girl Scouts, \$2,800; YMCA, \$800; Camp Fire girls, \$1,480; Nursery School \$825; Toy Loan, \$500; YMCA, \$800; Children's Hospital, \$1,100; Orthopedic Hospital, \$110; Visiting Nurses' Association, \$360; Family Service, \$2,200; Travelers Aid, \$50, and USO \$100.

Reserved for uncollected pledges, emergencies and campaign expenses is \$795.

Geraldine (Jerry) Ward, daughter of Mr. and Mrs. Edwin Ward of 273 E. Highland Ave., left for a vacation in England and the Continent Wednesday, Sept. 13. Jerry, who is in the statistical department of the Rand Corporation (she's recently been given her own private office), flew to London in a chartered plane provided by the Rand Corp. for their employees. She will visit England, France and Greece during her six-week tour and on return to this country will report at the Pentagon in Washington, D.C. Oct. 20 for a two-months assignment for Rand Corp.

The Paul Tate family at 350 N. Lima have swung into a busy and happy fall-winter time schedule.

Daughter Barbara, a senior at Pasadena High School during the mornings, works in the new Motor Club Division at All-State in the afternoon, a work-study plan for high school seniors.

Their son, Fred, who is a junior at Los Angeles State, works for the same company afternoons and evenings. Bruce Whitmore has returned to Pasadena High as a senior and is staying with the Tates. He plans a career in medicine.

"Barbs" friend from San Diego, Karen Yates, will be a new student at PHS, staying with the Tates.

The name is Miss Teresa Ann Simmons, new granddaughter of the Edwin Wards of 273 E. Highland. Teresa was born Monday, Aug. 28, in El Centro. Teresa is the third child of Mr. and Mrs. William (Betsy) Simmons and she has two brothers, Bill Jr., 5, and Ward Huntington, who'll be 2 years old, come October. P.S. Announcement of Teresa's arrival appeared in the S.M. News Aug. 31, but at that time the lovely little lady had not been named.

Mr. and Mrs. Earle Anderson with sons, Richard and Daniel, of 354 N. Lima have returned from a two-months concert tour of the Scandinavian countries and Germany. With their son-in-law and daughter, Mr. and Mrs. Nathan (Judith) Rundlett, they toured on concert as "The Singing Family From America."

Mr. Anderson took over as director of the Sierra Madre Congregational Church last Sunday. He is a professor at Azusa College, teaching voice, singing and choral conducting.

Mr. and Mrs. Thomas (Elizabeth) Johnson of 76 N. Canon Ave. were honored at a farewell party last Saturday evening at the home of Mrs. Elsie McGeary of 367 N. Auburn with cohostess, Mrs. C. Douglas (Erva) Becks of San Bernardino.

Other guests who enjoyed a delicious buffet dinner were Mr. and Mrs. Joseph F. Pagano Sr., Mr. and Mrs. George Bouvier, Mrs. Loyce Billingsley, Ronald Cook, Mrs. Lola Rudbach, C. Douglas Becks, Miss Ernestine McGeary and Ray Wysok.

The popular Liz and Tom flew back from San Francisco the same morning of the party where they had a week's vacation with Liz's son and daughter-in-law, Mr. and Mrs. Kenneth Rhoades, and family of Pinole Calif., and Tom's son and daughter-in-law, Mr. and Mrs. Thomas Johnson Jr. of Los Altos.

Liz has been a real estate broker in this area for nearly eight years and is a member of the Sierra Madre Parking Committee. Tom also has been in business in this area until he sold his interests recently. They plan eventually to locate in the Bay Area.

Katharine Meredith who has spent the summer with her parents, Mr. and Mrs. William (Mary Schwartz) of 282 E. Highland, and at Balboa, returned to Mills College last Monday, where she will enter her senior year.

Katharine is a history major and plans to take her masters degree in library science next year. Bill and Mary motored with her back to school.

Mrs. John Hart, who was formerly Elsie Bloomer of this city, celebrated her 88th birthday anniversary last Saturday, Sept. 16, with a luncheon at Eaton's, with 14 family members, including her niece, Mrs. William (Mary) Schwartz of Sierra Madre.

Mr. and Mrs. Donald F. Lampert, Jr.

Old San Gabriel Mission Is Scene Of Dorn-Lampert Double-Ring Ceremony

Miss Sharon Joan Dorn and Donald Francis Lampert, Jr. exchanged vows on Aug. 19, at 5 o'clock in the afternoon at the Old San Gabriel Mission, San Gabriel, at a double-ring ceremony in the presence of the immediate families. The bride is the daughter of Mr. and Mrs. Walter V. Dorn, Jr. of Sierra Madre Villa Ave., and the bridegroom the son of Mr. and Mrs. Donald F. Lampert of Sterling, Colo.

The bride, given in marriage by her father, wore a ballerina length Lorrie Deb original gown of Chantilly lace. Her short veil was held by a crown of matching lace set with seed pearls. Her elbow length gloves were of the same lace. She carried a cascade of stephanotis and phalenopsis orchids. Her something-old was a perfectly matched strand of Oriental pearls, a gift from her parents on her 21st birthday anniversary.

For the simple ceremony the bride's attendants were Miss Lynn Carter, who introduced the bride and bridegroom; Miss Joan Lampert, sister of the bridegroom, and Miss Katherine Dorn, sister of the bride.

Richard Ruffini (a life-long friend) was best man for the bridegroom and ushers were John De Witt, of San Gabriel, a college roommate, and Eugene Callender II of Rochester, N.Y., the bridegroom's brother-in-law.

Colors used were yellow and white with a daisy motif. Attendants were dressed in yellow embroidered cotton with bouffant skirts, carried white daisy nosegays, and their hats were fashioned of tiny veils topped with a cluster of daisies.

Immediately following the ceremony the bride's parents opened the garden of their home for a buffet supper around the beautifully decorated pool area for the wedding party and 50 guests. A large white and gold bird cage with white doves carried out the yellow and white color scheme and doves were scattered throughout the candle-lit garden. Two artificial white swans, dressed as bride and bridegroom, floated in the water lily decorated pool.

The 8 o'clock reception was attended by more than 200 additional guests.

The bride's mother greeted guests in a sheath dress of Dior blue peach se soie with matching accessories and a corsage of Mauve Cypridum Orchids. The bridegroom's mother wore a printed silk organza bouffant dress with white accessories and her corsage was green Cypridum Orchids.

Among guests were the grandparents of the bride, Mr. and Mrs. Walter V. Dorn of Green Valley, Mr. and Mrs. J. Frank Orr of Pasadena, and the bride's great-grandmothers, Mrs. Lewis H. Anderson and Mrs. C. O. Arnold, each of Pasadena.

Out-of-town guests included the bridegroom's parents, Mr. and Mrs. Donald F. Lampert; his sister, Miss Joan Lampert, and brother Tom Lampert, all of Sterling, Colo.; Mr. and Mrs. Eugene Callender II of Rochester, New York; Mrs. C. S. Kerns, the bride's aunt, and Christopher Kerns of Klamath Falls, Ore.

After a honeymoon at Santa Barbara, Carmel, San Francisco and Lake Tahoe, the newlyweds are at home in Pasadena.

Ranch Roundup

By
Joyce Wenger
SYcamore 8-4777

"The September Affair," which is the seventh annual benefit dinner-dance given by the Hastings Ranch Guild for Cystic Fibrosis, is the highlight of Ranch social news this week.

Saturday evening, five hundred guests will be seated at tables around the pool in the beautiful Stuart Company gardens. Marshall McGraw's orchestra will play during this lovely autumn event.

Mrs. Darrell A. Wright, Guild president, has appointed Mrs. Edward Rosic chairman of the benefit. Assisting her are Mmes. Alan Stearns, Richard McClain, John Behr Jr., Leroy Frandsen, Donald Clark and John Norris.

Funds raised by the 35 young matrons who are members of the Guild, will be given for research in Cystic Fibrosis, led by Dr. Stephen Royce, at the Children's Hospital in Los Angeles.

The Guild membership is also assisted by 18 associate members and the Las Seguitas Workshop with 16 members.

Last year the combined efforts of all these hard working ladies resulted in the donation of \$6,500 for research in Cystic Fibrosis!

Among those members planning pre-party cocktail parties are Mrs. Robert Farmer and Mrs. Dominic Giangorio; Mrs. Robert Meason and Mrs. James Ritter; Mrs. Leroy Frandsen and Mrs. John Behr; Mrs. Ralph Johnston and Mrs. Warren Milldum. Also, Mmes. Charles Hadison, Darrell Wright, John Norris, Alan Stearns and Charles Edison.

Delightfully interesting newcomers in the Ranch are Carrie and Don Eggleston of 3680 Alder Lane. Mr. Eggleston is a manufacturing engineer at Lockheed.

However, it's during his vacations from his work that life really becomes a challenge. He's a member of the Georgie White group which takes passengers down the treacherous Colorado River.

Perhaps some readers will recall the pictures of this daring sport shown in the Aug. 4 issue of Life Magazine. Pictures of the boats bouncing through the rapids made me shudder, but Don didn't appear perturbed!

Mrs. Eggleston taught 4th grade at San Rafael Elementary School until her retirement to await the birth of their first baby, due in mid-October. Incidentally, Mrs. Eggleston's brother is Dr. Clete Dorsey of the Villa.

Wendell Thompson, Pasadena City Attorney, will deliver a paper at the National Municipal Law Officers Convention in New York, later this month. Mr. Thompson resides on Tropical, with his pretty wife, Shirley, part-time model and busy member of the philanthropic Cancer Society.

Las Jardineras, Lower Hastings Ranch Home and Garden Club, will meet at the home of Mrs. Marvin Loomis, 3630 Hampton Rd. on Sept. 26 at 12:30. Mrs. Martin Smith and Mrs. Horace Ray are co-hostesses. Mrs. Peter Hurtig, the club's new president, will preside at this first meeting of the new season. Other new officers are Mrs. Robert Kiehloltz, recording secretary; Mrs. Wayne Brannon, corresponding secretary; and Mrs. Robert Talmo, treasurer.

Reminder: Don Benito and Eugene Field picnics this evening! The Don Benito Lu-nar-Q will be launched at 6:30 p.m. The Eugene Field picnic begins at 6 p.m. See you there!

Extra Papers: At last, the announcement every Ranch home has been waiting for! You can get rid of those

mountain high stacks of old newspapers (and rags too), and give a big boost to local PTA fund raising, as well. Don Benito has scheduled a paper drive for Saturday morning, Sept. 23, and Eugene Field school on Sept. 30. Paper drive chairmen at Eugene Field are Mrs. Richard Major and Mrs. James Alexakis. Norma Lacey is chairman at Don Benito.

Wilson Junior High PTA announces three upcoming events. First is their annual dinner to be held Sept. 25 at 6:45 p.m. Mrs. Robert MacLeod is chairman and special guests will be Wilson's 13 new teachers and new assistant principal. Then on Wednesday, Sept. 27 mothers of 7th graders will be welcomed at a tea at 2 p.m.

Mrs. William Rebb, 3597 Shadow Grove, will be hostess for the regular PTA board meeting at 9:45 a.m., Oct. 4.

Betty Beanston, (Mrs. Robert), new resident at 1080 Leonard, was honored at a coffee Tuesday. Hostesses were Betty Kirkhanhan and Melba Berg. The Bergs are former owners of the Beanston's home. Guests not only became better acquainted with Mrs. Beanston, but also had the opportunity of seeing the Bergs' charmingly restored Victorian home on Vosberg. Guests included June Poe, Lillian Harris, Nancy Rose, Carol Wood and Patty Crump. The Crumps incidentally, moved from the Ranch to a lovely home on South El Molino.

Jean and Bud Gero have moved from their Newhaven Rd. home to 201 Hacienda, Arcadia. During extensive kitchen remodeling at the new address, the Geros and their six youngsters went to the YMCA family camp. Now there is a handy solution! By the way, new owners of the Gero's former home at 3790 Newhaven, are Elizabeth and Robert Eland and two children.

Attention, Tri-Deltas: Mrs. Michael Buchanan of 1525 Arroyo View Dr., president of Delta Delta Delta Juniors for the coming year, invites all Tri-Deltas whose college class falls within the last ten years to attend the Juniors' first meeting of the season, Sept. 26, 7:45 p.m. at the home of Mrs. William Wright, 549 San Marino Ave.

Mrs. Frank Jones of 3765 Hampton Rd. is also making noteworthy sorority news! As province president of Sigma Kappa she spent two weeks at her alma mater, UCLA, for rushing festivities. And this weekend she and Frank will be off to Santa Barbara. Her province includes the Santa Barbara campus and ten alumni groups. How fortunate she is to have her mother, Mrs. Winifred H. Wagener, to care for the two young Joneses!

Highland PTA Opens Year

Owen Van Buskirk, director of elementary education in the Arcadia School System, will speak to the Highland Oaks Parent Teacher Association Monday at 8 p.m. in the school cafeteria.

Mrs. Ray Biggerstaff, president, will preside at the meeting which will begin with Mr. Buskirk's talk followed by a brief business meeting and introduction of the teaching staff by Miss Pearl Dillingham, school principal.

"Building a Better Youngster" is the theme for the year by Highland Oaks PTA Board. They feel this can best be accomplished by the strengthening of the link be-

tween home and the school by attending the monthly meetings.

All parents of students new to the school are urged to attend so that they may become better acquainted.

Mrs. Gilb Host To Garden Club Women's Unit

The Hastings Ranch Garden Club will open its fall season Tuesday, Sept. 26 with a luncheon at the home of Mrs. Charles Gilb, 940 Singing Wood Dr., Arcadia.

Hostesses will be the new executive board for the coming year: Mrs. W. B. Moore, president; Mrs. Charles Gilb, vice president; Mrs. Wilson Wight, secretary, and Mrs. Walter Doty, treasurer. Members' guests will be welcome.

PLANNING a "September Affair" are Mrs. Leroy Frandsen, Mrs. Robert Meason and Mrs. Daniel Wells. The Hastings Ranch Guild for Cystic Fibrosis will give its Seventh Annual Benefit Dinner-Dance Saturday night in the Stuart Company gardens.

There could be little dispute, even among the non-believers and atheists, that the Bible is one of the best sellers of all times. If we could but live by the Bible's teaching how much better off we would be.

The Scriptures can be applied in so many facets of our lives. For instance, I quote from Apocalypse 3:16: "But because thou art lukewarm, and neither cold nor hot, I am about to vomit thee out of my mouth."

Think how elaborately we all avoid the responsibility of being firm in our convictions at one time or another, because by forming an opinion we will have also assumed a responsibility that we do not care to meet.

This applies to our simplest decisions right on through the religious and governmental stages of our lives.

"I belong to this church, but I can't quite swallow all that they tell me to be true"; "I'll vote for that one, but I don't know anything about him"; "I don't like the

way the Government is spending our tax dollars, but nobody cares what I think anyway." All these, and more, are remarks you probably hear every day of your lives.

The answer to each Bible quotation requires work, thinking, and certainly can not survive on a lukewarm attitude towards life. We can all climb out of this state one step at a time, but no one can do it for us!

There was a lot of activity up this way last weekend. Bob Anderson and Doug Holmes hosted a party for some of the local teenagers in the Anderson's (F. R.) patio. They had a scavenger hunt to start the festivities and then rounded out the evening with dancing and singing.

Their guests were Jerry Acker, Lee Harris, Kenny Koch, Wallace Clearman, George Amthor, Ed Vanniman, Ronnie Fox, Duncan Smith, Jeff Valentine, Roy

Mrs. Calvin Cloyd O'Hair
(Dorinda Lynne Brown)

Great Uncle Is Officiant At Brown-O'Hair Wedding

In a truly beautifully-arranged ceremony in the Church of the Good Shepherd (Methodist) in Arcadia, decorated with white stock, gladioli, cysanthemums, woodwardia and white satin, Dorinda Lynne Brown of 3885 Shadow Grove Rd. was wedded to Calvin Cloyd O'Hair on Sept. 9 at 8 p.m.

The minister, the bride's greatuncle, Dr. James Dale Van Buskirk, a retired Methodist pastor, who performed the ceremony, was celebrating his own 51st wedding anniversary that day.

The bridal gown was of white silk organza over satin, the skirt cut with a long chapel train and embroidered with organza roses, scalloped neckline, long sleeves buttoned with tiny pearls. The crown was of pearl-encrusted loops from which hung a long veil. Her bouquet was two bridal orchids surrounded with button mums and orange blossoms, and her going-away outfit was a beige wool jersey suit with a full fluffy pomegranate hat.

The matron of honor was Mrs. Richard (Marcyn Brown) Clements, sister of the bride; the junior bridesmaid, Miss Shelley Noelle Brown, another sister of the bride; and the bridesmaids, Miss Linda Chamberlain and Miss Karin Vinson.

Best man was Bruce Wenger; the ushers, Melvin O'Hair, Larry Larsen and Melvin Means. Junior usher and acolyte was David Wopshall.

All five attendants were garbed alike in candlelight satin-made gowns made with dropped waist, bateau neckline, and wore gold lockets (gifts of the bride). Their headdresses were matching net with satin bows, and they carried crescents of bronze spider chrysanthemums trimmed with ribbons in fall colors, and bronze eucalyptus sprays.

Some 250 friends and relatives attended the reception following the wedding, this being held at the bride's home. The garden there was lit with torches, hurricane lamps, blue and yellow lights. The newlyweds honeymooned at Carmel, after a short stay at Disneyland Hotel.

The bride is the daughter of Mr. and Mrs. E. F. Brown and the bridegroom the son of Mr. and Mrs. Frank O'Hair, all of Pasadena.

party last Sunday evening. After a delicious dinner the guests all played games, and do you know, games are fun!

Her invitations included Mr. and Mrs. Ira Lackey, Mr. and Mrs. Joseph Phelps, Mr. and Mrs. Thomas Winchester, Mr. and Mrs. Don Crandall, Mrs. Edwin Pyle, Mr. Gardiner Wilson, Mr. and Mrs. F. R. Anderson, and ourselves. Those unable to attend were Drs. and Mmes. Robert Mueller, Jack Paschall, Jr. and Lincoln Will-

son.

Dr. and Mrs. Jack Paschall of Sierra Madre Villa have had full use of their boat, the "Turmaline", of late. They returned last week from a ten-day trip with their children and Dr. and Mrs. Robert Mueller. They had nine children on board plus the four adults. They started by sailing to Santa Catalina and then a round trip up to the Santa Barbara Island. Last weekend the Paschalls, with an additional crew of eight, entered the Santa Barbara Island race. I haven't heard as yet how they placed.

Just learned Dr. Francis H. Webb, Jr. who lives with his parents on Vosburg, jetted off to Europe last month. He went over to read some papers on plasma physics at the International Conference in Munich and Salzburg. The remainder of his stay will be devoted to traveling about the Continent.

Meantime, Mr. Webb, Sr., who is recovering from a broken wrist, is touring the Pacific Northwest. Mrs. Webb quips that now she has a little time to do some catching up!

In addition, she is becoming rather a well known panelist on the Press and Clergy Program on Channel 13.

Last week Mrs. William Morse invited 15 of her neighbors in for brunch to meet Mrs. Cowles.

Mr. and Mrs. Don Jax-thelmer of Old House Rd. entertained at a delightful

Catherine Mary Wynne Will Make Her Debut At

At a beautiful tea — long to be a cherished memory for 28 lovely young debutantes and their mothers — Las Damas Pan Americanas last Sunday afternoon revealed the names of the 1961 debutantes who will make their debut at the 20th Annual Las Damas Presentation Ball.

Set for Friday night, Oct. 6, this is the first debutante ball of the season, and the most romantic and international. Each debutante who this year include Miss Catherine Mary Wynne, daughter of Dr. and Mrs. Thomas Arthur Wynne of 326 N. Sunnyside Ave., Sierra Madre, wears a white lace mantilla over a high white Spanish comb as she makes her bow to society at the ball.

Catherine Wynne who has had an unusually busy summer in Mexico City, Hawaii and at home at the seashore, is the paternal granddaughter of Leslie Bernard Wynne and great-granddaughter of Thomas Alfred Wynne who developed the early light and power system in Indianapolis.

Her maternal ancestors were French and Arcadian settlers in Southwestern Louisiana where their interests were in finance, land, medicine and education. The Sierra Madre debutante attends Flintridge Sacred Heart Academy.

This summer she spent

five and one-half weeks in Mexico City, then went to Hawaii with her parents, and on her return promptly took off for Newport Beach where the family has a summer home. She returned last Tuesday to prepare for her return to Flintridge Academy.

In the gracious home and gardens of Mr. and Mrs. James Alle on Windsor Blvd. Las Damas honored the

1961 debutantes and their mothers. As is traditional the chairman of the tea was a post-debutante, Mrs. Charles Almada, and her co-chairman was Mrs. W. Richard Hughes, Las Damas member. On the tea committee were Mrs. Terrell de Lapp, Pasadena, a post-debutante; Mrs. Arthur Aviles of Los Angeles and Mrs. Louis Almada of San Marino, both members of Las Damas.

The 28 debutantes and their mothers were greeted by Mrs. Thomas Anthony Danahey of San Marino, president of Las Damas;

Mrs. Arturo Duarte, chairman of the debutante ball which will be held in the International Ballroom of the Beverly Hilton, Mrs. John Zertuche, debutante adviser, and Mrs. Alle.

Pink carnations, the Las Damas flower, abounded everywhere: Mrs. Alle's pink drawing room bloomed with pink carnation arrangements, in the center of the elaborate tea tables was a silver bowl filled with pink carnations.

Also as each debutante walked gracefully around the pool to hear her name announced by Mrs. Danahey

Las Damas Ball On Oct. 6

she was presented a pink carnation corsage which she pinned on her mother. Pink carnations are the flower of the Spanish island of Majorca.

During the afternoon roving troubadours serenaded the debutantes and their mothers with songs and music.

Each year Las Damas Pan Americanas selects debutantes of international heritage, early Californians, often of Mexican land grant families; diplomat's daughters, and international families who have been prominent in the cultural, social

and political life of their native countries.

Among the 1961 debutantes is one fifth generation Californian, two fourth generation, daughters of consuls, representatives of Latin and South American, European and Middle Eastern families, and two debutantes are the third sisters of their families to be Las Damas debutantes (each has two post-debutante sisters).

Presiding at the tea table were two past presidents of Las Damas, Mrs. James Quinn and Mrs. J. Herbert Marks.

FIVE GENERATIONS of the Delgatto family gather for a reunion at the home of Joseph Delgatto Sr., 734 Fairview, Sierra Madre. In the back, Joseph Delgatto Jr. and his son Anthony, and Mrs. Joseph (Mary) Delgatto Sr. Front row — Peter Delgatto and son Peter Jr.; Mrs. Theresa Castellana and Mrs. Jennie Messe.

Good In California . . .

Growing Indoor-Outdoor Plants Not So Difficult

Californians are lucky — and Southern Californians especially so — in having so many plants that thrive either indoors or out.

There is much advantage in being able to bring the outdoors in and vice versa, as need or mood indicates. And in an age of glass walls, there is further aesthetic appeal in growing like plants on either side of a window. Such practice creates a continuity with the outside world.

We are reminded of this by a California Association of Nurserymen checklist of two-way plants. It is surprisingly long and contains some familiar shrubs that more than a few of which you might not have suspected as candidates for indoor use.

Several palms and related shrubs can be grown inside or out. A handful of philodendrons, the showy aralia, the rubber plant, the vining fatshedera and several ferns. For winter bloom, a few pots of cyclamen on either side of a window pane can be your number one attraction.

Consider the palms for a minute. Have you ever grown the pignate palm and enjoyed its true palm-like appearance, complete with arching fronds? This miniature tree can also be grown inside — started in early life as no more than a pot plant and gradually moved into larger containers for patio and lanai use. Or the lady palm, that reed-like centerpiece for patio and terrace. It, too, can be tubbed for indoors.

Among the countless philodendrons, the sellow variety has the C.A.N.'s highest recommendation for house, lanai or patio. The large leaves are showiest of a showy family — deeply split and often as much as 20 or more inches across.

Hoya, or wax vine as you may know this white-flowering vine, can be grown in a tub and trained to frame both sides of a large window. Fatshedera, a cross between ivy and aralia (fat-sia) makes a perfect wall covering in a lanai room, and aralia can grow right alongside of it.

Experiment will turn up others and no doubt your C.A.N. nurseryman will, too. Once you get started, growing indoor-outdoor plants can be a hobby.

Kiwanians Will Hear Publisher

Douglas McMann, an honored Sierra Madre resident at 235 Park Ave., will address the Sierra Madre Kiwanis Club next Tuesday on "A Publisher Looks at the World."

McMann publishes "The Wedding March—Southern California Bride's Magazine." He also has a column in the Pasadena Star News, and arranges the programs for the Pasadena Civic Auditorium and Pasadena Play House.

The program is the sixth this year under the auspices of the Kiwanis Club's public and business affairs committee which comprises Col. Walter D. Thurber, chairman; Postmaster Charles E. Louk, vice chairman, and City Administrator Lawrence C. Bevington.

Helps to Raise Cornell U. Fund

Among those taking part in the "Million Dollar Club" fund setup which this year raised \$1,042,954 for Cornell University at Ithaca, N.Y., was Mrs. Keith M. Seegmiller of 181 E. Grand View, Sierra Madre.

Mrs. Seegmiller was in charge of the woman's class of 1951 which raised \$1,792.46 from 166 donors. Helping Mrs. Seegmiller in the Southern California drive was Mrs. Charles Ray of Alhambra, an area chairman for the Cornell fund.

Without cessation during and after an attack. Councilman Severin L. Sorensen spoke of the advisability of tunneling into the mountains, terming this a natural resource. The question of using the water conduits also was discussed but generally this was considered ill-advised — they are not large enough and there always is the danger of flooding.

Administrator Bevington crystallized the sentiment that the people should be advised on three things — (1) What the city can do to help them; (2) how they can go about building shelters for their own; and (3), how and why they should assemble food and drink for a possible stay of one to two weeks within a bomb shelter. It was brought out by Councilman Rule that canned goods are not subject to the dangers from fallout.

Councilman James F. Abernethy focused this in his motion that the people be immediately advised of what the city can do in case of an attack. The motion was carried unanimously.

Council named James C. Winslow of 599 Elm as a member of the parking committee. Other members are Thomas M. Schwartz, Carl Hansen, Don Jackson and Mrs. Hugh F. Colvin. Jackson, as chairman, has submitted a report detailing how 45 additional merchandisers may be added to the city's business area, bring an added \$40,000 a year in sales taxes to the city.

The question of improved water supply in the district north of Grand View was referred to Councilman Lorraine W. Lisle and Harold G. Petz, chairman of the City Planning Commission.

Medic Auxiliary To See Fashions

Fashions from Frances Knisley in Alhambra will be modeled by auxiliary members Mmes. Alax Krammer Covina; Jay Mulder, West Covina; Robert Johnson, Arcadia, Douglas Ritchie, Temple City, and Ata Arman, West Covina. Also highlighted will be hats designed and created by members of the executive board to symbolize their various positions for the coming year. Mrs. Johnson will introduce each chairman with a rhyming description of hat, its wearer and her responsibilities.

Membership Tea At Jewish Center

The annual membership tea of Foothill Jewish Community Center will be held Tuesday, Sept. 26, at 1 p.m., at the poolside of Mrs. Ralph Cohen, 325 Orange Grove, Sierra Madre.

The theme "Autumn Leaves" will be carried out by Mmes. Marshal Mendel and Al Green. Delectable refreshments will be served by Mmes. Sol Green, Robert Sencer, Daniel Barton, Shepard Wiseman and Sol Barton. Mrs. Charles Lapson is president.

Should Bevington Resign?

The importance and meaning of the "taxpayers revolt" staged in City Council Chambers a week ago last Tuesday night should not be lost upon either City Administrator Lawrence C. Bevington or members of the Sierra Madre City Council.

Aside from the sewer costs which were the main source of contention — and it may be said that the entire sewer situation involving thousands of dollars has been, as one of the protesters noted, "badly managed" — there again arose the spectre of a breakdown in public relations between the city administrator and Council on one side, and the public on the other.

This was emphasized — and properly so — by the estimable Miss Clara Sykes in her letter and her statement before Council. Indeed, there is a question whether there has even been a proper degree of "suitable and amicable public relations" between this city administration and the people of Sierra Madre.

And it is high time that there was, for the City Hall policy of ignoring the public should be stopped at once and a new era of "inform the public adequately and freely" be instituted. This was the real import of the Tuesday night outbreak in Council Chambers.

Back when Mayor James resigned to take up residence in the East, he made this statement, in effect, to a leading Sierra Madiran:

"I'm not apprehensive about Council, but I am apprehensive about our public relations, for Bevington knows practically nothing about public relations."

All the covering up and smoke-screening will not hide this weakness in the present regime at City Hall, and the sentiment of ignoring the public has been communicated to members of Council itself. Councilman Severin L. Sorensen, City Attorney Charles R. Martin and Assistant City Administrator Tom Butch are the exceptions.

Bevington, in a prepared statement distributed during the Council meeting, commented on the declaration of Mrs. Virginia Meyers which was the source of an editorial in the Sierra Madre News some weeks ago and in which Mrs. Meyers was quoted as saying that when she went to City Hall to protest her sewer assessment that she was told "It's none of your business."

Bevington's prepared statement said that "Mrs. Meyers in over an hour's discussion with the city administrator did not indicate she had been told that 'It's none of your business.'"

This is a lame excuse, the bunk and hides the true situation.

Interviewed during the Council meeting, Mrs. Meyers not only reaffirmed that she was told "It's none of your business," but that the City Hall attaché to whom she addressed her remarks, added that "You have no right to ask."

Mrs. Meyers is an estimable citizen and as a property owner has not only the right to go to City Hall and to ask such a question, but to receive a courteous and considerate reply.

If this is a sample of what property owners get when they seek information — and relief — at City Hall, it's time something should be done about it.

Either the City Council should see to it that the property owners — the taxpayers who pay the city administrator's \$1,100 a month salary (Council increased it \$600 a year recently) — are treated with proper courtesy and consideration, or he should resign.

There were demands for this voiced aplenty at the last Council meeting.

And the City Council should see to it that City Hall employees should do just that.

Also, as this newspaper has pointed out before, it is time this City Council cease being so dependent upon the city administrator, question more and more, his procedures and strike out on their own. It'll be good for this city if they do.

Our Library's Publicity

There is one particularly interesting item in the annual report of the city librarian transmitted to City Council by the chairman of the Library Board of Trustees, Rev. George W. Lindsay.

It is that one out of every two Sierra Madre citizens holds library cards, justifying the added statement that this is above the average for communities throughout the country. In other words, it may be said that Sierra Madrans are a literate people. That's good!

What is not good is that books are not being acquired in sufficient numbers for the library's use. A State Library consultant who some months ago surveyed the situation here, reported that at least 2,000 new titles a year are requisite if the Sierra Madre Library is to meet the public's needs — in the year 1960-61 covered by the report, only 1,390 new titles were acquired.

Also there is a need for replacements of worn-out and obsolete volumes.

The report says that "Service to senior citizens, primarily 'Shut-ins,' began in May. These books are being delivered by the Mariner Group of Girl Scouts. With a program of publicity this could develop into a much greater project. It is recommended that this operation be taken over by a committee of the Friends of the Library or by some other group so that the responsibility for the telephoning back and forth when difficulties arise, could be handled independent of the Library."

We believe that this chore should be handled by the library staff — they know its requirements better than

Adventures of a 'Broke' Citizen

EDITOR'S NOTE — Last week we left our fellow citizen as he was being relayed from Sierra Madre hospital to one in Arcadia said to be equipped to handle orthopedic cases. Den resumes his lightly brushed but informative experience:

By Den Murray

Comfortably laid in a private ambulance, I'm closing in on Arcadia and a highly-spoken of institution of mercy whereat, I'm hoping, they'll fix my broken left leg. The ambulance is operated by Glasser & Miller of Arcadia. Vehicle, crew and cost are hereby recommended.

Sorry I can't say the same of that hospital. But you see, they really didn't give me a chance. They staged sort of a goal line stand and 'held me for downs.' Down payment, that is. Wanted \$150 right now and proof that the estimated balance of \$900 upwards would be forthcoming before project leg was completed.

In the bill they mailed me a week later I learned that they had only charged me \$13 to probe my finances and reject me as a bum risk. I guess that isn't exorbitant these days.

Yet had I known what their "emergency room" services consisted of, and what they would cost, I would have proclaimed myself a bankrupt pauper at the threshold and thus avoided prolonged pain from my leg and that interrogation:

"What? You have no bank account, no property, no accident insurance, no hospitalization coverage like Blue Cross or White Cross?"

"No," I lisped miserably through gaps left by the absent teeth still bathing back home. "The only cwoth I bear ists that of Povverthy."

They looked cast down. "But —"

"Yes?" They brightened.

Letters to the Editor

Dear Editor:

Thank you for the illustrious article on "Freelance Society for the Prevention of Cruelty to the Iron Horse in SIERRA MADRE NEWS for Sept. 14.

We defend the Iron Horse on the basis of justice, fair play, and equality of opportunity. The only argument raised is the assumption that the trains are obsolete because the disciples of generously subsidized and government promoted non-rail transportation say so.

We frequently collide with broad-minded people who would "call the wagon" at the slightest suspicion of anything less than slavish adoration for the chrome-trimmed sacred cow of motor mania. No, my friends, transportation calls for sterner stuff than the flimsy, grotesque extremes of ever-changing automotive "style."

At any rate, we are in a position to appreciate a few kind words and thank Mr. Herwig for them.

—K. FRITZ SCHUMACHER.

Dear Editor:

Just a line to thank you for your editorial, "It's Time For Prayer." We are supposed to be a Christian nation despite some evidences to the contrary and we should get back to the fundamentals on which our Founding Fathers relied.

In reference to the statement in your paper that Mr. Eaton showed that there was a fund of \$20,000 in a sewer reserve, Mr. Bevington stated that only a small portion of this fund had come from the district under discussion. It might be misleading to the public not to have included this statement at the same time.

Thanking you for your wonderful cooperation with the people of this town, I am Sincerely yours,

—CLARA L. SYKES.

members of the Friends of the Library, estimable group that it is.

We wish, however, to take especial cognizance of the part of the above paragraph regarding "publicity," for in this newspaper's opinion the publicity for the Sierra Madre Library is inadequately handled. In fact, it is almost completely nil and has been for some time. We have yet to have a visit to the News offices by the new librarian who has been on the job now for several months.

And aside from one or two minor releases there has been no information coming to us from the library.

We believe the Sierra Madre Public Library owes the people more informative service than this. After all, one of the functions of a library is to keep its clientele informed, not kept in the dark.

THE SIERRA MADRE NEWS is not one whit adverse to cooperating with the librarian and her staff, also the Library Board, in this respect.

If you're a compulsive smoker, don't get checked in at the Los Angeles General without ample smokes, or at least a companion to fetch them for you, I did. The resultant discomfort topped that from my leg.

As the aromatic perfume of rich, ripe, blended tobacco wreathes into your fluted nostrils from passing corridor traffic you are taunted into a prideless state.

You start importuning passersby like a shipwrecked castaway frantically hailing ships far out in the steamer lanes. And too often is this horribly hopeless. Especially if your appeal is being lisped toothlessly from behind a grisly gray beard.

Potential good samaritans

veer off in the conviction that you're just another "Main Street" moocher who ought to start suffering for his useless, parasitical ways.

My own plight was ended by a Negro girl. They wheeled her in suffering from a crushed pelvis and other painful damage. But apparently her heart remained intact.

"Take these," she insisted, handing over her pack. "With what I got shot into me — they ain't reaching me."

EDITOR'S NOTE — Next

degree from USC and he ought to be acquainted with the various methods of making space conditions more efficient.

A final argument against a new City Hall for Sierra Madre is that by Parkinson's Law, the number of people in any kind of administration always expand to fill up the existing facilities with no greater amount of work being accomplished.

Therefore, if we build a new City Hall with more space, the people spending the taxpayers' money will hire more people to fill up the extra space and this will in turn increase the cost of city government and hence result in increased taxes for you and I and the rest of us.

OUT OF THE COWBEES

52 Years Ago This Week, Sept. 24, 1909 — A gentle rain began falling last night and indications this morning pointed to considerable precipitation. It was far more agreeable than the show of just a year previous. Remember that hail storm? It was just a year ago last night. It certainly took everybody by surprise.

Mrs. J. A. Patterson and her mother, Mrs. Emery, returned on Wednesday from Venice where they had been spending several days.

Mrs. E. J. Morgridge, accompanied by her sons, W. O. Morgridge and the editor of the News, went to Matilija Springs last Saturday for an outing of the Los Angeles Weekly Press Association. The editor had to return to the grind on Wednesday but the rest of the family remained until today.

20 Years Ago This Week, Sept. 18, 1941 — Mrs. Catherine Ellem Humphries, one of Sierra Madre's pioneer residents, passed away Sept. 16 at her home in Los Angeles, aged 87. Mrs. Humphries was the widow of George Humphries and the mother of W. R. Humphries of Arcadia and Miss Edith Pictor, also now of Los Angeles.

Several new members will be in evidence Wednesday when the Sierra Madre Woman's Club opens a new year with a grand homecoming to be given at 2 p.m. in the Woman's Clubhouse. Acting as hostesses will be Mmes. Al Meyer, Nathan Jacobs, Grace Vane, Milton J. Steinberger and Perry C. Kortkamp.

11 Years Ago This Week, Sept. 21, 1950 — Mrs. Allan Hicks of N. Auburn, gave a surprise birthday party for her husband last Thursday evening. Guests were Mr. and Mrs. Dan Stritt and Dr. and Mrs. P. P. Woodworth.

Mrs. Paul Tate of 350 N. Lima, has been appointed 1950 Junior Red Cross chairman in Sierra Madre, R. C. Lewis, local Red Cross chairman, announced this week. Mrs. Tate's committee will include Mrs. P. A. Wynne, representing St. Rita's School; Mrs. R. C. Lyon, Church of the Ascension; Mrs. J. W. Reece, City School, and Mrs. A. E. Childs, publicity.

Pacific Electric substitutes buses for the big red cars next Sunday.

6 Years Ago This Week, Sept. 22, 1955 — Private graveside memorial services for Mrs. Lucy Dyott Bode, widow of Dean Arnold H. Bode, who died at her home at 410 W. Montecito Ave., last Thursday, were held Wednesday morning at 10 o'clock, Bishop Gooden officiating. She came to California in 1912 with her husband and to Sierra Madre in 1931 when Dean Bode became rector of the Episcopal Church of the Ascension, a post he held until he retired in 1937.

Bea Thompson, secretary at City Hall, returned this week from a two-week's vacation. Her time was spent resting and taking short side trips.

Polio Shots Given On Next Sunday

One dollar polio shots will be given Sunday, Sept. 24, from 2:30 to 5:30 p.m. at Simpsons Garden Town, 3425 Colorado Blvd., Pasadena.

Intervals between first and second shots are two weeks, with the third administered four weeks later. Annual booster shots are recommended.

Tenshun, Pinkos!

A plucky East German lad of 18 crashed his truck out of the Communist penitentiary the Russians have built around their puppet state — East Germany.

"What on earth caused you to change your mind about living in East Germany?" a British officer asked.

"Well, sir," replied the youth, "the good life the Peoples Government talks about is one big pack of lies from start to finish." . . . The truth will out — perhaps the Pinkos over here will watch on soon.

S. M. Nursery School Opens 14th Year Sept. 11

The Sierra Madre Community Nursery School started its 14th year Sept. 11 under the direction of Mrs. Jack R. B. Freeman, who succeeds Mrs. Gerald Marugg Jr. as director. Mrs. D. N. McAdam is president of Nursery School Association.

Mrs. Freeman announces the addition of three teachers to the staff. Returning to teach Group I is Mrs. Fred Tempas, while Mrs. Marugg will be teaching Group III. Joining them will be Mrs. Kathryn Marugg, who will teach Group IV. Mrs. Marugg previously taught kindergarten in the Monrovia School District for ten years.

Group II will be taught on Mondays, Wednesdays and Fridays by Mrs. Ty Scoggins, who has been a substitute head teacher at Pacific Oaks Friends School in Pasadena this past year and has had other experience prior to that.

Group III will be taught on Tuesdays and Thursdays by Mrs. Robert Andrews. Mrs. Andrews is a former mother-teacher in the school. She continued her studies in the field and became a parent-education leader, teaching this past year in Alhambra.

With the addition of the fourth group, which allows increased enrollment, Mrs. Freeman announces there are a few vacancies in the school for children in the 2 1/2 to kindergarten age bracket.

The fourth group will be housed in a lovely new building which was completed last weekend, after many hours of work by the Nursery School fathers.

Mrs. Freeman advises that it will be possible for children enrolled in the fourth group to attend on a five-day basis, as these children are older.

The Nursery School children attend from 9 to 12 daily, Monday through Friday. In addition, the director's office hours are from 1 to 3 p.m. each week day.

Further information and application forms may be obtained by phoning the Nursery School during these hours at EL. 5-1635, or by calling in person at 701 E. Sierra Madre Blvd.

Earle M. Anderson Becomes New Director of Music At Congregational Church

Earle H. Anderson, long-time Sierra Madre resident, has accepted appointment as director of music at the Congregational Church, the music committee announced this week.

Mr. Anderson, presently on the faculty of Azusa College, was for many years a teacher of vocal music at Pasadena College, and directed the music department of Cascade College in Portland, Ore.

Mr. and Mrs. Anderson recently returned from a concert tour of Europe which took them in to all the Scandinavian countries, West Germany, and Berlin. In the latter city they sang in refugee centers just after the closing of the Berlin border.

Mrs. Anderson will serve with him as organist for the church.

'Purification' Is Topic of Rev. Hesse

"Times of Spiritual Purification" will be the 10:30 o'clock Sunday morning sermon theme of Rev. Armin Hesse at Faith Lutheran Church, 835 Hastings Ranch Dr.

This pulpit message will consider the 11th chapter of the Book of Daniel and emphasize the pertinent lessons which it contains for the Christian Church today.

The Voting Assembly of Faith Lutheran Church will meet next Wednesday night Sept. 27, at 7:30 p.m. Among the reports to be presented will be a report from the congregation's new sanctuary building committee.

Presbyterian Newsbits

Virginia Elliott and children flew to her home town, Cleveland, O., for a visit, to be joined later by her husband, Mac and Molly Goodrich traveled to Alaska, which they thought more beautiful than they had anticipated.

Margaret Bussey's sister, Mrs. Thacher, and her family, spent the summer here. They are from Winston-Salem, N.C. Mr. and Mrs. Paul Kennedy and Ed Henderson visited in San Francisco. The Burison family vacationed in Oregon.

Church members feel that the annual Fall Festival Sept. 30 will eclipse all previous efforts of the sort. A full evening is planned for all ages, neighbors and friends. It will start with dinner, any time from 5 p.m., and include an all-star show at 7 and 8:30 p.m.

There will be a ten-piece Dixie band, drill team, male chorus, boys and girls in a Hawaiian number, college group melodrama and accordion numbers. Ballroom and square dancing will be provided.

Bethany Notes

The new archbishop is Dr. Arthur Michael Ramsey, formerly Archbishop of York.

Canterbury Cathedral is divided into two parts by the choir naves. On the east side is the monastic origins, and to the west is the public hall. Due to this division, it is necessary to have the archbishop enthroned twice.

First enthronement is in front of the high altar on the Archedepiscopal throne where he is recognized as the Primate of England as well as the leader of the Anglican Communion throughout the world.

Second enthronement is in the Chair of St. Augustine where the archbishop makes his first public appearance and address from the pulpit. Dr. Ramsey's sermon was taken from "I Samuel 10:26." "There went with him a band of men whose hearts God had touched." His address brought a message that "The Church should be united in faith and prayer." Dr. Ramsey concluded by quoting from St. Augustine of Hippo: "The chair of Augustine has been used at every enthronement since the year 1205."

Dr. Ramsey recently returned from West Africa where he visited the churches, as well as attending the Independence celebrations of Sierra Leone, adjacent to Liberia. He also toured East and Central Africa this year.

MOTHER OF THE YEAR

Mrs. Louise S. Giddings Currey from Lookout Mountain, Tenn., was named American Mother Of The Year for 1961. Mrs. Currey, an Episcopalian, attends Good Shepherd Church. She has six children and has in addition, been a foster mother to many wards of the Hamilton County Juvenile Court. Mrs. Currey has worked to improve housing conditions, and also to eliminate prejudice.

The new Christian Education building continues to rise on the back lots of the church grounds. The two-story, 7,500-foot classroom building will be completely framed and roofed this week with most of the electrical and heating work done.

Plans are under way by the church board for the completion of the needed financing to complete the building. Contractor Norman Toombs is hoping that the building can be completed for occupancy by Christmas.

Pasadena Auxiliary of the Evangelical Welfare Agency is sponsoring a membership dinner on Tuesday, Sept. 26, from 1 o'clock in the afternoon until 3.

The meeting will take place at the Mission Covenant Church, 539 Lake Ave., in Pasadena. Nursery facilities will be available for all children. The Auxiliary takes pleasure in presenting Harlow T. Ankeny, director of public relations for EWA and Patricia Von Der Lohe, EWA caseworker.

The EWA is a subsidiary of the National Association of Evangelicals, a service organization for churches with offices for the Southern California area located in Whittier. EWA has placed almost 100 children in Christian homes during its short existence in this area.

Rally Day At Shepherd Of the Hills

A new opportunity for Christian growth begins Sunday, Sept. 24, at Shepherd of the Hills Lutheran church, 33 E. Sierra Madre Blvd., Sierra Madre, where Rally Day will take place at 9 a.m. Classes for all ages, including the adult Bible class, will be offered.

Parents are welcome to bring their children to Sunday School and remain for the Bible class, which is led by Rev. Ray E. Hansen, pastor. The Sunday School superintendent, Mrs. Dorothy Sewell, invites unchurched youngsters to enroll as well as the children of members.

At the morning worship at 10:10 a.m., Pastor Hansen will preach on "Puncturing Our Pride," based on Jesus' teaching on humility in Luke 14:1-11.

The Luther League will begin its new season at 7 p.m. Sunday at the home of the vice president, Emily Wendt, 1335 Oak Meadow Rd., Arcadia. New youths 12 and older will be welcomed. Miss Kathy Chambers is the president; Carol McDonald is secretary and John Distad treasurer.

'Law of Life' Subject for Dr. Barnhart

"The One Great Law of Life" is the subject of Dr. Ethel Barnhart, minister of the Santa Anita Church of Religious Science, 226 W. Colorado Blvd., Arcadia, Sunday morning at 10 o'clock.

Every man needs to feel he belongs to and is part of a life greater than his own little world. The lesson-sermon will show how compliance with the law of circulation of the universe not only satisfies this urge, but also establishes the individual as an active participant in God's life itself.

Children from pre-school through 8th grade meet at 10 o'clock Sunday mornings.

Men To Hold Retreat At Pilgrim Pines

Men from the Congregational Church will attend the annual Churchmen's Fall Retreat at Pilgrim Pines this Saturday and Sunday, Sept. 23 and 24. Centering around the theme, "The Christian's Use of Power and Property," the retreat will be under the leadership of Dr. Robert Fitch, dean of the Pacific School of Religion.

A distinguished panel of laymen from Congregational and Evangelical and Reformed Churches will lead the discussion groups. Dr. John Plucke, pastor of the Morningstar Evangelical and Reformed Church, will lead a discussion on "For What Can We Hope in the United Church."

Three-Way Church Aid At Nazarene

Rev. J. P. Stockett, pastor of the Sierra Madre Nazarene Church, has instituted a three-way program for the convenience of parishioners of the Sunday School and Church.

The first is the Cradle Roll for tiny tots too young to attend Sunday School. Here a friendly nursery mother will call on the home, providing Bible pictures, story papers and other things of interest to the youngster.

The second is for anyone needing transportation. Children or adults will be picked up about 9:30 a.m. and returned home about 12:15 p.m. The Sunday School offers classes for all ages. There is a nursery for babies and a Junior Church for older children during the morning worship service.

The third is home study for the aged, convalescent or others unable to attend the regular Sunday School classes. A qualified Bible teacher will make regular visits and will provide study materials, devotional papers and other lesson helps without cost.

Further information may be obtained by phoning ELgin 5-9545 or 5-7332.
